Brave your truth  
And brave yourself  
So we can go somewhere  
With the DITE  
Keep hope alive, now we wanna  
Find the new world  
Chizuu o ushinatte samayotteru machii  
Owari yuku sekai demo  
Karada no oku de hashiru  
No wa yamenai  
Inochi o kikasete  
Tayasanai hikari o tozasanai  
Hitomi ni kawai demo yakitsuketa  
Kizutsuku koto mo naku tenisuru  
Mono nante nani mo shinjinai  
Dareka ni mukatta hitosuji  
No omoi wa  
Yoake no you ni hagane no  
Yami wo kirisaku  
Itsuka brave your truth  
And brave your yourself  
Dakara tsuyoku kaeru  
Kasaneta chikara mo inori mo  
Kousa suru mirai daeta negai  
Dare no te ni mo watasenai  
Just tough and alive  
Kokoro wo tsuraneru
