I could pass the time of day here alone quite easily
Alone I find a friend in blue moons and checkered
horizons
My only thoughts are of the bygone laughs and days
better spent indoors
Alone Ill flee from blinding light into bitter darkness

I drown my thoughts in champagne skies
I drown my thoughts in champagne skies
Ill get out when youre asleep cause you wont let me
roam
And if you wake up alone its you who drove me from
here

Locked out of my own home and looking for a way back
in
Now I feel that the night is my home as the chorus
drags me in
All day I am alone but tonight it is okay
Heres to ambiguity

I drown my thoughts in champagne skies
I drown my thoughts in champagne skies
Ill get out when youre asleep cause you wont let me
roam
And if you wake up alone its you who drove me from
here

Ive got nothin to say
Hey dont look at me just walk away
Its just the same old shit on a different day
Ive got nothin to say

Locked out of my own home and looking for a way back
in
Now I feel that the night is my home as the chorus
drags me in
All day I am alone but tonight it is okay
Heres to ambiguity

I drown my thoughts in champagne skies

I drown my thoughts in champagne skies
Ill get out when youre asleep cause you wont let me
roam
And if you wake up alone its you who drove me from
here
