Dakota Green, Conrad Johnson.

(verse1)

Can you tell me how i ended up here?
I've been watching and waiting, anticipating a change.
I wanna know what it feels like,
to finally let go and give you all of me.
Everything

(chorus)

Take me, take control,
'Cause your love is all I wanna know.
Break me, tear me down.
Cause you're the only real thing in this world that I have
ever found.
So take complete control
Cause Your love is all I wanna know.

(verse2)

Running in the wrong direction
We've been caught in between your plan and mine
wasting time.
So move me where you want me.
My life's in your hands, it's not up to chance anymore.
I am yours

(chorus)

Take me, take control,
'Cause your love is all I wanna know.
Break me, tear me down.
Cause you're the only real thing in this world that I have
ever found.
So take complete control
Cause Your love is all I wanna know.

(bridge)

I wanna know you.
The way that you know me, yeah.
I wanna love you, the way that you love me,
I wanna see your face.

(chorus)

Take me, take control,
'Cause your love is all I wanna know.
Break me, tear me down.
Cause you're the only real thing in this world that I have
ever found.
So take complete control.
Take complete control,
Cause Your love is all I wanna know.
