"Cosmic Boy"

All around in space you can hear
About a guy without any fear
Doing anything at all as long as it pays
Living in danger is what he prefers,
Breaking laws and meet beautiful girls
Every little second is usable, his life is a race
Cosmic boy - looking for action, looking for joy - cosmic
boy
He is wanted everywhere but he really doesn't care
He escapes the police in his super ship
Laughing, waving good-bye
If you need some weapons for a private little war
Or a new kind of love you haven't seen before
A not so legal cargo transfer to another place
Just ask this guy
Cosmic boy - looking for action, looking for joy - cosmic
boy
