Only came outside to watch the nightfall with the rain
I heard you making patterns rhyme
Like some new romantic looking for the TV sound
You'll see I'm right some other time

Look now, look all around, there's no sign of life
Voices, another sound, can you hear me now?
This is planet earth
You're looking at planet earth
This is planet earth
My head is stuck on something precious
Let me know if you're coming down to land
Is there anybody out there trying to get through?
My eyes are so cloudy I can't see you
This is planet earth
You're looking at planet earth
This is planet earth
Calling planet earth
Looking at planet earth
This is planet earth
