When you're tired of the galaxy,
Just plot the course for the place to be
Called Pleasure Station 9
Leave your troubles far behind,
You'll find amusement of any kind
At Pleasure Station 9
At PS9 you can have a good time at PS9
Spend your Quatloos on any game,
Hit the bar and pick up a dame
At Pleasure Station 9
Any something that you want to try,
Just go ahead and don't be shy
At Pleasure Station 9
At PS9 you can have a good time at PS9
