Let's do it  
Let's do it  
Let's do it  
Let's do it

[Incomprehensible], baby  
Let's do it  
Take your time  
Let's do it  
[Incomprehensible]

Come on, baby  
Let's do it  
Take your time  
Let's do it

You know you ought to slow down  
You been working too hard and that's a fact  
Sit back and relax a while  
Take some time to laugh and smile

Lay your heavy load down  
So we can stop and kick back  
It seems we never take the time to do  
All the things we want to, yeah

Now, baby we can do it  
Take the time, do it right  
We can do it, baby  
Do it tonight

Baby, we can do it  
Take the time, do it right  
We can do it, baby  
Do it tonight

Baby, we can do it  
Take the time, do it right  
We can do it, baby  
Do it tonight

Baby, we can do it

Take the time, do it right  
We can do it, baby  
Do it tonight

The love I feel for you  
You feel for me  
One life is all we have to live  
Our love is all we have to give, yeah

There are so many things for us  
To do and see, yeah  
Let's take some time to be alone  
Lock the door pull out the phone, yeah

And baby we can do it  
Take the time, do it right  
We can do it, baby  
Do it tonight

Baby, we can do it  
Take the time, do it right  
We can do it, baby  
Do it tonight

Baby we can do it  
Take the time, do it right  
We can do it, baby  
Do it tonight

Baby, we can do it  
Take the time, do it right  
We can do it, baby  
Do it tonight

Take your time  
Take the time  
Take the time  
Take the time

Take your time  
Take your time  
Take your time

Take your time  
Ooh baby, take your time  
If it takes all night

You can do it, you can do it  
You can do it, alright  
You can do it, you can do it  
To the early morning light

You can do it, come on baby  
You can do it all night  
Take your time, come on baby  
Let's do it tonight

Take your time, baby  
And take all night  
You can do it, you can do it  
Come on let's do it, do it right

Take your time, ooh baby  
Come on let's do, let's do, let's do  
Don't mind, ooh baby  
You can do it, do it right

Take your time, let's do it  
If it takes all night  
Come on baby let's do it  
To the early morning light

Let's do it, let's do it  
Let's do it, do it right  
Come on baby let's do it  
If it takes all night

Come on baby, let's do it  
Let's do it, do it right  
Come on honey let's do it  
If it takes all night

Let's do it, let's do it  
Let's do it, do it right  
Come on baby let's do it  
If it takes all night

Come on honey, let's do it  
Let's do it tonight  
We can do it, we can do it  
Let's do it, do it right

Baby we can do it  
Take the time, do it right  
We can do it, baby  
Do it tonight

Baby we can do it  
Take the time, do it right  
We can do it, baby  
Do it tonight

Baby we can do it  
Take the time, do it right  
We can do it, baby  
Do it tonight

Baby we can do it  
Take the time, do it right  
We can do it, baby  
Do it tonight

Baby we can do it  
Take the time, do it right  
We can do it, baby  
Do it tonight

Baby we can do it  
Take the time, do it right  
We can do it, baby
