Ev'rybody all around the world

Gotta tell you what I just heard

There's gonna be a party all over the world.

I got a message on the radio

But where it came from I don't really know

And I heard these voices calling all over the world.

All over the world

Ev'rybody got the world

Ev'rybody ev'rywhere is gonna feel tonight.

Ev'rybody walkin' down the street

Ev'rybody movin' to the beat

They're gonna get hot down in the U.S.A.

(New York

Detroit

L.A.)

We're gonna take a trip across the sea

Ev'rybody come along with me

We're gonna hit the night down in Gay Paree.

Ev'rybody gonna have a good time

Ev'rybody will shine till the daylight.
