In this life  
I have seen everything I can see  
well I've  
I've seen lovers flying through the air hand in hand  
I've seen babies dancing in the midnight sun

And I've seen dreams th'at came from the heavenly  
skies@ ab  
I've seen old men crying in their old grey sack  
And I've seen pigs all sitting watching picture slides.

But I've never seen nothing like you

Do ya  
do ya want my love  
want rily  
Do ya  
do ya want my face  
I need it  
Do ya  
do ya want my life  
I'm saying  
Do ya  
do ya want my love

Well

I've heard you crying  
singing out of tune  
As they sat and sang auld lang syne by the light of the  
moon  
I heard the preacher banging on the drums  
And I've heard the police playing with their guns  
But I've never heard nothing like you  
In the country where the sky touches down on the field  
She lay her head down to rest in the morning sun

They come a-running just to get a look -- just to feel

To touch her long black viel - they don't give a damn

But I've never seen nothing like you

...

Well  
now I think you know what I'm trying to say  
woman  
That it's my life to save you for a rainy day  
I've seen enough of the world to know  
That I've got to get out to get it ouZ ago

Do ya  
do ya want my love  
come on now  
Do ya  
do ya want my face  
I need it  
Do ya  
do ya want my life  
I'm saying  
Do ya  
do ya want my love  
Do ya  
do ya want my love  
Do ya  
do ya want my love
