I'm alive
And the world changed for me today
I'm alive
Suddenly I am here today
Seems like I can't go on
Thought I could not go on
Is this really me?

I'm alive
I'm alive.

I'm alive

And the dawn breaks across the sky.
I'm alive

And the sun rises up so high
Lost in another world
Never another world

But what can I say?

I'm alive
I'm alive
...

Suddenly here's the dawn
Suddenly I was born
But can it be real?

I'm alive
I'm alive
...

I'm alive

And the world changed for me today
...
