"Its Over"

Summer came and passed away
hardly seemed to last a day
but it's over
and what can I do ?
music playin' in the air

silence on a dark-ended street
'cause it's over
and what can I do ?

It's over
it's over
all over
it's all over now
and the way you looked
don't even mean I'm down
it's over.
when you kick up the sea
and the sun says good-bye
there is nothing much to speak of
and it's over
it's all over
baby
baby
it's all over
roll up to see me.

Lookin' over sunny days
searchin' for the righeous wave
'cause it's over
and what can I do ?
Lookin' from this distant shore
you ain't sailin's by no more
'cause it's over
and what can I do ?

It's over
it's over
all over
...

It's over
it's over
don't shed a tear for me
it's over
don't shed a tear for me
it's over.
me
I can't take no more.
