I was searching on a one-way-street
I was hopin' for a chance to meet
I was waiting for the operator on the line

She's gone so long
what can I do
Where could she be
oh
no
no
Don't know what I'm gonna do
I gotta get back to you
you gotta slow down
Sweet talking woman

you got me running you got me searching

Hold on sweet talking woman

It's so sad if that's the way it's over.

I was walking many days gone by
I was thinkin' 'bout the lonely nights
Communication breakdown all around me.

She's gone so long
what can I do
...

I've been living on a deadend-street
I've been askin' ev'rybody I meet
Insufficient data comin' through

She's gone so long
what can I do
...
