"Anywhere Under The Moon"

La la la la la la x4

Broken lines, yellow signs
I can feel your soft shoulder
All the trees follow me
In single file

La la la la la la x2

Last power line, my cell phone died
I don't even know your number
So I drive all the way
to Winnipeg

And I could be anywhere
I could be anywhere under the moon
And I could be anywhere
I could be anywhere but I'm with you

La la la la la la x4

Midnight dreams, seventeen
So afraid I'm missing something
Count the miles to your face
So I drive to Winnipeg

And I could be anywhere
I could be anywhere under the moon
And I could be anywhere
I could be anywhere but I'm with you
