Do do do

Sitting in a parked car
Talking like a movie star
Waiting for a big break
Wondering what it's gonna take
Outta me

Counting every penny
Spending way too many...on you
Well I don't think we're good enough
Nobody is good enough

Don't wait for me
Yeah don't wait for me
Cause I'm one step behind
Everything that I see
Don't wait for me

Hide behind the poetry
So you don't get to know me
Only get inspired
When my life's on fire

Don't act like such a rock star
You're singing in a hockey rink snack bar
Well I don't even care
I'll sing anywhere

Don't wait for me
Yeah don't wait for me
Cause I'm one step behind
Everything that I see
Don't wait for me

Do do do

Well maybe if we get there
We won't even like it
Well we can always quit
They always need more teachers

Don't wait for me
Yeah don't wait for me
Cause I'm one step behind
Everything that I see
Don't wait for me (x2)

Do do do

Sitting in a parked car
Talking like a movie star
