Do do do do
Do do do do
Do do do do
Do do do do do

Well I think I look like Marilyn Monroe
Standing by the subway feel the wind blow
I drink for a living it's got me this far
Every day's a movie and I'm the star

You're gonna fall in love and then you're gonna fade
Everything changes in 7th grade
You stand in a circle pretending to inhale
Every situation your a different girl

And I never want to lose it
This fast forward crashing moment
We're all dying just to hold onto it
And you say you can't dance

Do do do do
Do do do do
Do do do do
Do do do do do

They're tearing down museums and putting up malls
We'll all be in fashion in Niagara Falls
You held my hand I was a little girl
Everything is sacred in a broken world

And I never want to lose it
This fast forward crashing moment
We're all dying just to hold onto it
And you say you can't dance
Yeah you say you won't dance

Do do do do
Do do do do
Do do do do
Do do do do
Do do do do (x2)

Just forget about the letdown
Forget about the hometown
You're on your own now

And I never want to lose it
This fast forward crashing moment
We're all dying just to hold onto it
And you say you can't dance
Yeah you say you won't dance (x2)

Well I think I look like Marilyn Monroe
Standing by the subway feel the wind blow
