La la la la la la la x3

Prom queen crime scene
The perfect photo
One more has been
To make the dream

La la la la la la la

Rumor has it
That he's been crying
And walking backwards
Away from home

There'll be hell to pay
Just put it on my tab

I wanna know who decided
That life's one-sided
Is it wrong to fight it?
When I know there'll be hell to pay

La la la la la la la

Apple orchard
The perfect moment
But we're still making
The same mistakes

There'll be hell to pay
Just put it on my tab

I wanna know who decided
That life's one-sided
Is it wrong to fight it?
When I know there'll be hell to pay

La la la la la la la x2

If i stand up will you see me
From above

Cause I'm here looking up

I wanna know who decided
That life's one-sided
Is it wrong to fight it?
I wanna know who decided
That life's one-sided
Is it wrong to fight it?
When I know there'll be hell to pay

La la la la la la x2
