The sweetest ones hurt the most  
With every gently soothing stroke  
And now you've left me with this boy  
Too much may fall again

Hey hey  
I'm crawling in my skin  
Yeah yeah  
What have I gotten into?  
Hey hey  
I don't know what to do  
Hey hey hey

I'm calling home it still feels strange  
I know this memory will change  
And now you've left me on my own  
Too much may fall again

Hey hey  
I'm crawling in my skin  
Yeah yeah  
What have I gotten into?  
Hey hey  
I don't know what to do  
Hey hey hey

Hey

Hey yeah, hey

Picture show runs through my view  
The man beside me played by you  
And now I've left them all behind  
To watch them fall again

Hey hey  
I'm crawling in my skin  
Yeah yeah  
What have I gotten into?  
Hey hey  
I don't know what to do

Hey hey hey(x2)

Hey yeah, hey
