(I know who you are)

Al Pacino eyes  
Are lookin' at me  
I stand in the kitchen  
Making decisions  
Nobody sees

You say u believe  
Well where did you find it?  
What books did u read?  
Was it on T.V.?  
And who's behind it?

It would be easy to say yes  
It would be easy to say no  
Why am I always so restless?  
Could it be I just don't know

It's too much  
Of everything  
It's so much  
I can't think  
It was better  
Without anything  
It's too much of everything

Al Pacino eyes  
Are friendly again  
I thought we were ready  
I thought it was easy  
It's all in my head

You'll never know  
How you effect me  
Cause I tell my mother  
She makes me feel better  
That's all that I need

It would be easy to say yes  
It would be easy to say no

Why am I always so restless?  
Could it be I just don't know

It's too much  
Of everything  
It's so much  
I can't think  
It was better  
Without anything  
It's too much of everything

Al Pacino eyes  
I remember my first kiss  
It was too much  
So I ran up the driveway  
I've been running since

It would be easy to say yes  
It would be easy to say no  
Why am I always so restless?  
Could it be I just don't know (x2)

It's too much  
Of everything  
It's so much  
I can't think  
It was better  
Without anything  
It's too much of everything  
Too much of every  
Too much of everything
