I'm no genius I just live in a messy room
I try to hide it so I can't find anything
and you can't break my heart to make the words come
out
cause i dont know a love song or a lullaby

Who do you think you are? x2

I'm afraid of everyone and I talk too fast
I'm never ever where I want to be
and I can't tell you where I get the sadness from
but you can take me dancing every night

Who do you think you are? x4

I've got room for one man in my heart
and I don't even know where I would start
you can't make me cry all down 4th avenue
but I still hide it in my messy room

Who do you think you are? x4
