I'm walkin' the yellow brick street to the holy  
wonderland now  
My red shiny shoes rushing my feet 'cause the witches  
want me now  
All I'm doin' is hidin' around green bushes and trees  
Crawl around black roses and bees  
I'm walkin' the yellow brick street to the holy  
wonderland now

Here we go again on our way to catch a fish (Double  
dutch)  
Witches us to change and I don't know what they're  
hatin' (Double dutch)

I'm lookin' for the wizard, lookin' for the wizard  
Ladies paradise (Ladies paradise)  
Oh tell me where you at  
I'm searchin' for the wizard, comin' for the wizard  
Ladies paradise (Ladies paradise)

I'm rockin' this mellow street beat and I'm almost  
gettin' there now  
Black rain keeps fallin' on me, now my brain begins to  
melt down  
All I'm doin' is flyin' around mean monkeys and fleas  
Goin' down black roses and bees

I'm walkin' the yellow brick street to the holy  
wonderland now

Here we go again on our way to catch a fish (Double  
dutch)  
Witches us to change and I don't know what they're  
hatin' (Double dutch)

I'm lookin' for the wizard, lookin' for the wizard  
Ladies paradise (Ladies paradise)  
Oh tell me where you at  
I'm searchin' for the wizard, comin' for the wizard  
Ladies paradise (Ladies paradise)

I'm lookin' for the wizard, lookin' for the wizard  
Ladies paradise (Ladies paradise)  
Oh tell me where you at  
I'm searchin' for the wizard, comin' for the wizard  
Ladies paradise (Ladies paradise)

Here we go again, h-h-here we go again  
The wizard (The wizard)  
Here we go again, h-h-here we go again  
The wizard (The wizard)
