[Pre-Chorus:]

Genocide and extinction are the only way
By decimation and destruction they will have to pay

[Chorus:]

Poser hunt, for metal we live
Poser hunt, for metal we fight
Poser hunt, for glory of steel
Poser hunt, crushing down the wimps

Beware unbelievers
With make up on your faces
Here comes the metal beast
On your flesh it will feast
Death to all races
Metal spits in your faces
Death to all belief
Raping your minds is our relief

[Pre-Chorus]

[Chorus]

My love is noise and speed
Metal frees me of my greed
Nothing else, no fun, no trend
Metal wants your souls dead
Even dead we can kill
Hide away or feel the steel
There is nothing we pray for
Except fucking a virgin whore

Kill the posers, fuck the punk
Destroy rappers, piss on funk
Kill the hippies and all djs
Metal wins this final race
