Inside in hell
for thrash I dwell
Greatest creation
of evolution
There is no more nothing,
just fucking thrashing
Burning my brain
makes me insane

Is there any show,
where is no law
Fucking big slam,
makes me cum
Drinking all beer,
feeling no fear
There is no return,
in hell we will burn

Because... We are sworn to thrash
RIOTOR will thrash until the end

Thrash is such force
that breaks the walls
Thrashing all night,
starting the fight
Converting the false,
raping the souls
Only reality
is our insanity

Stage fucking diving,
thrashers are flying
Posers will fear,
their end is near
Only thing I feel

is leather and steel
I'm always in rush
to fucking thrash

Because... We are sworn to thrash
RIOTOR will thrash until the end
