

So Solid Crew

"Asher d-back in the day"

Visit "[Asher d-back in the day](#)" on MotoLyrics.com

Hey yo, AC Burrell, So Solid, da da dee, Asher D, Swiss
on this
Now let's bless this proper for the ladies yeah? bless it
Lets tell them how it is and how it was
Hey yo this deep
Remember back in the day when we never had shit
Our niggaz had to struggle to get what they wanted
(that's right)
Look at us now
Mad status and mad doe
But with that comes mad chicks yeah?
Chicks who wanna eat off your table
Fuck your niggaz in the pradas that you've purchased
for her
You know what? I'm not feelin that, I'm not feelin that
Hey listen shout out to all the gold diggin ladies
I haven't got no time for you hoes ha-ha-ha-ha-ha
Yo...

Back in the day when I never had...
Back in the day when I never had...
I never had time for the girls that would lie
AC tell 'em why
Yo, back in the day when I never had hits
Back in the day when I never had hits
Back in the day when I never had hits
So I drop the top when I'm rollin it

Back in the day when I never had...
Back in the day when I never had...
I never had time for the girls that would lie
Watchin and clockin when I'm goin
Back in the day when I never had hits
Back in the day when I never had hits
Back in the day when I never had hits
So I drop the top when I'm rollin it

Why you niggaz wanna start with me?
You start with me but you don't want no parts of me shit
That's why I started doin archery
We practice hard to put arrows in your arteries

Yo, you niggaz haven't got the gold to freeze
The chicks to please
That's why you're steady watchin my cheese
Ice frozen to minus degrees
You get close
You can feel that shit makin a breeze
Yo, and fuck niggaz who be takin my hoes and tryin to
pose
When that hoe's rockin my clothes
All that shit that you see in her drum
Asher's the one who wrote cheques for it to come
I make chicks give me head in the sun
Chick suck dick
Yo that is the pun
So when we go out lookin for fun
I'm bringin my gun
So Solid weigh you down like a ton

[Chorus]

Deeper then this (what?)
Yo I'm talkin 'bout back in the day when I never had...
I never had time for the girls that would lie
Watchin and clockin when I'm goin
Deeper then this (why why)
Yo I'm talkin 'bout back in the day when I never had...
(Hey yo) I never had hits
Droppin the top on my ride when I'm rollin it

Deeper then this
Yo I'm talkin 'bout back in the day when I never had...
I never had time for the girls that would lie
Watchin and clockin when I'm goin
Deeper then this (why why)
Yo I'm talkin 'bout back in the day when I never had...
(Hey yo) I never had hits
So I drop the top on my ride when I'm rollin it

Take my freedom away
I need that shit so I sit down and spit more lyrics
Yo, I buss flows to make you have fits, feel sick
Keep your eyes on your chick
Real quick
Coz my clique made me realise shit, now
You're here now but you could be goin down
Prepare now for foes that come around
Beware now coz my flow's flame throwin now
Strictly legit but gats still blowin out
I'm flossin hard with my clique
Are we fuckin tonight?
Yeah there's no doubt
Does my flow sound tight, thought out

Nuff MC's I don't know what they talk 'bout
Chat shit but there's no tunes brought out
Under average MC's get caught out
Or we lay them to rest, nigga down south

[Chorus]

Deeper then this (what?)
Yo I'm talkin 'bout back in the day when I never had...
I never had time for the girls that would lie
Watchin and clockin when I'm goin
Deeper then this (why why)
Yo I'm talkin 'bout back in the day when I never had...
(Hey yo) I never had hits
Droppin the top on my ride when I'm rollin it

Deeper then this
Yo I'm talkin 'bout back in the day when I never had...
I never had time for the girls that would lie
Watchin and clockin when I'm goin
Deeper then this (why why)
Yo I'm talkin 'bout back in the day when I never had...
(Hey yo) I never had hits
So I drop the top on my ride when I'm rollin it

So Solid you're incorrect
We're thugged out but we flow
Like we're interlect
My niggaz make doe, and intercept
Big checks you can check on the internet
So you better know the gat protects
And some niggaz can't walk but they try to step
I wonder if he gonna talk when I slice his neck
Most niggaz don't play you will die for rep
So I ask them niggaz
Why are them niggaz tryna front?
We're the sharpest niggaz
I'm a artist nigga
I'm built for this shit most niggaz
Chat garbage nigga
You're my target nigga
So when I spit my flows I'm precise
Like an artist nigga, so I barred that nigga
Coz he weren't ill enough so I scarred that nigga
I just want my niggaz to flow wit me
Smoke weed, get high and joke wit me
Make dough it too don't go broke wit me
If I'm in beef then their gonna blow for me
If I need love then their gonna show for me
I ain't got weed nigga get an 'O' for me
And when you run that shit you can smoke wit me
And go deeper like when I had hoes on me

[Chorus]

Deeper then this (what?)

Yo I'm talkin 'bout back in the day when I never had...

I never had time for the girls that would lie

Watchin and clockin when I'm goin

Deeper then this (why why)

Yo I'm talkin 'bout back in the day when I never had...

(Hey yo) I never had hits

So I drop the top on my ride when I'm rollin it

Deeper then this

Yo I'm talkin 'bout back in the day when I never had...

I never had time for the girls that would lie

Watchin and clockin when I'm goin

Deeper then this (why why)

Yo I'm talkin 'bout back in the day when I never had...

(Hey yo) I never had hits

So I drop the top on my ride when I'm rollin it

Flows are tighter than niggaz that know me

So I strive to make figures with homies

All these chickens got somethin to show

Tryna front coz you know they don't know me

I don't want all hoe to control me

I just want her to blaze and roll wit me

Make tracks and papers fold wit me

Stick around until she's old wit me

Go Hatton Gardens to pick gold wit me

If I get capped she'll cry hard over me

Yo I'm black so I know I've got soul in me

So Solid got my back till they're holdin me

AC's on attack and we're rollin B

I make G's stack quick

That's the goal in me

And if you don't know me

Ask your hoe for me

Coz she went low for the doe

Told ya B

[Chorus]

Deeper then this

Yo I'm talkin 'bout back in the day when I never had...

I never had time for the girls that would lie

Watchin and clockin when I'm goin

Deeper then this (why why)

Yo I'm talkin 'bout back in the day when I never had...

(Hey yo) I never had hits

So I drop the top on my ride when I'm rollin it

Deeper then this

Yo I'm talkin 'bout back in the day when I never had...
I never had time for the girls that would lie
Watchin and clockin when I'm goin
Deeper then this (why why)
Yo I'm talkin 'bout back in the day when I never had...
(Hey yo) I never had hits
So I drop the top on my ride when I'm rollin it
