So Solid, ladies and gentleman
I'm about to resort to violence
Yo, this is a So Solid criminal gangster production
Listen 'cause you don't play games you know trust me

A yo, let her know, me in the doe
See me yo, busted a show and here I go
See ma flow, dirty though
You never know like woah, there I go, there I go

A yo, you never know until I made 'Oh no'
You know So Solid
On a roll, dirty though, we dirty though
Like there I go, there I go, there I go

Why d'you really wanna imitate me? Yo
Why d'you really wanna imitate me?
Why d'you really wanna imitate me?
Why is it that you just wanna be me?

Why d'you really wanna imitate me? Yo
Why d'you really wanna imitate me?
Why d'you really wanna imitate me?
Why is it that you just wanna be me?

Ladies when I get down in ma physical
When I get down down in ma lyrical mibical
Lyrical, biblical, bad vibe inside
Get up and wants to rhyme

Ladies when I get down in ma physical
When I get down down in ma lyrical mibical
Lyrical, biblical, bad vibe inside
Get up and wants to rhyme

Wanna be, wawanna be, wanna be, do what I wanna do
wanna do
So Solid Crew made me realize it's an outgoing fight to
stay the mike
When I ride the mike, make you feel the vibe
When I ride the mike, make you feel the vibe
When I ride the mike, make you feel the vibe

They don't know about my crew
They don't know what I do
They don't know about my flow
They don't know where I go

They don't know about my click
They don't know about my shit
They wanna know about my doe
But I don't spend it let it grow

They don't know about my crew
They don't know what I do
They don't know about my flow
They don't know where I go

They don't know about my click
They don't know about my shit
They wanna know about my doe
But I don't spend it let it grow

Play the part, big time in ma art
I'm in a hurry in the basement in the dark
I gotta bring ma elision, I'm gonna spark this
When ma style is relentless

People say So Solid never meant this
I'm mad and this is ma way to break this
How many people do you know could've wrote this?
How many people do you know could've wrote this?

Yo run it up, give up flow
Give me the cash, give me the doe
Yo, I've been the bad guy and the hero
As long as the police make ma statements grow

I'm making money from Jim to the Joe
I'm eating chicken getting shook like crows
Asher D is at the start of the show
You never mimical the crucial though

Yo, stopping the show, you know gonna flow
A yo, lyrical, biblical bad flow
Yo, stopping the show, you know gonna flow
A yo, lyrical, biblical bad flow

Yo, stopping the show, you know gonna flow
A yo, lyrical, biblical bad flow
Yo yo, yo yo
Asher D starting the show

Wanna be, wawanna be, wanna be, do what I wanna do
wanna do
So Solid Crew made me realize it's an outgoing fight to
stay the mike
Wanna be, wawanna be, wanna be, do what I wanna do
wanna do
So Solid Crew made me realize it's an outgoing fight to
stay the mike

When I ride the mike, make you feel the vibe
When I ride the mike, make you feel the vibe
When I ride the mike, make you feel the vibe

They don't know about my crew
They don't know what I do
They don't know about my flow
They don't know where I go

They don't know about my click
They don't know about my sit
They wanna know about my doe
But I don't spend it let it grow

They don't know about my crew
They don't know what I do
They don't know about my flow
They don't know where I go

They don't know about my click
They don't know about my sit
They wanna know about my doe
But I don't spend it let it grow

Wanna live life, bringing the family
Wanna kick back and watch them spend money
So niggas wanna feel when I'm hype like say the words
Wanna see do you recite me
(What?)

Wait what would you do if you were me?
Would you scrape now away from the big heat?
Niggas wanna see niggas get rich
But niggas don't wanna see me to live pricey

Nicely, everywhere you like to live, you'd settle with me
Come into ma crib G
Oh, I see niggas wanna bite the dust thinking mega's
Gonna to do his own thing G

Back in the day, I had no luxury
That never stopped because of ma bravery

You get shook when you're near me
Asher D telling ma life story

Spin keys make money for centuries
Had doe and enough when I spend ma G's
People on ma back always wanting freebies
Get out of ma face

Watch me on TV
Listen you don't really wanna see me
When it's dark outside and I'm angry
I grow up wishes for girls like a genie

I press in the car with my CD's
I'm stack in my car in my TT
I'm bus big up show you wanna see me
Danger when you're near me
You can't hear me, but you feel me

Why d'you really wanna imitate me?
Why d'you really wanna imitate me?
Why is that you just wanna be me
But you can't see that you're the only one to the scene

They don't know about my crew
They don't know what I do
They don't know about my flow
They don't know where I go

They don't know about my click
They don't know about my shit
They wanna know about my doe
But I don't spend it let it grow

They don't know about my crew
They don't know what I do
They don't know about my flow
They don't know where I go

They don't know about my click
They don't know about my shit
They wanna know about my doe
But I don't spend it let it grow
