Mists on the Somme
On the quays
Medieval glass
And princes on their knees

Kings and Queens of France
On the walls of the Cathedral

Who feels the earth move
With the times
And who fell from heaven
Behind the lines

Kings and Queens of France
On the walls of the Cathedral

Amiens, it's over
Amiens, it's over

Who went the distance
And who tried
And whose children
Were forever left behind

Who flew from Arras
In the wind
Between Lille
St. Omer and Bethune

Mist is on the Somme
On the walls of the Cathedral
Kings and Queens of France
On the walls of the Cathedral

Amiens, it's over
Amiens, it's over
