

So They Say "Drink Of Poison"

Dressed to kill, this thrill will be the end
Save your side of the story, it's just so annoying
There's pictures in my head I can't give back
'Cause you had to be the life of the party

And will you not know what to say
To the boy who gets your heart someday
And your used body?

With this drink of poison you'll choke
(My bleeding heart will ruin it all)
'Cause I know history will repeat itself

Okay you got me now I must confess
This humbling experience has bought me bliss
So many things are just best left unsaid
'Cause you're such a liar, you're such a good liar

And will you not know what to say
To the boy who gets your heart someday
And your used body?

With this drink of poison you'll choke
(My bleeding heart will ruin it all)
'Cause I know history will repeat itself

With this drink of poison you'll choke
(My bleeding heart will ruin it all)
'Cause I know history will repeat itself
