

So They Say "Good-Bye"

Choking on lies, making the best of a bad conversation
Your eyes dried as I tried sleeping in your bed
To fake another smile and take with me what was mine
While racing to you forever

We're waking up and it's 6:00 o' clock
Did you ever think, things could be the same
If we happened to wake up late?

Don't let go
(Don't let go)
We both know, it's sad to say
This time it's good-bye, good-bye

Don't let go
(Don't let go)
We both know, it's sad to say
This time it's good-bye, good-bye

Giving applause for you
Always pointing out everyone's flaws
And breaking what binds you
'Cause your movin' on with your life

After tonight, you said, last night all alone
I hope you change someday for your own good

We're waking up and it's 6:00 o' clock
Did you ever think, things could be the same
If we happened to wake up late?

Don't let go
(Don't let go)
We both know, it's sad to say
This time it's good-bye, good-bye

Don't let go
(Don't let go)
We both know, it's sad to say
This time it's good-bye, good-bye

We're waking up and it's 6:00 o' clock

Did you ever think, things could be the same
If we happened to wake up late?
(Don't let go)
If we happened to wake up late?

Don't let go
We both know, it's sad to say
This time it's good-bye, good-bye

Don't let go
(Don't let go)
We both know, it's sad to say
This time it's good-bye, good-bye

Don't let go
(Don't let go)
We both know, it's sad to say
This time it's good-bye, good-bye
