"ROCK AND ROLL BAND"

Words and music (c) 1998, Richard D. Diakun

A rock and roll band
Is touring the land.
They're playing their songs
To all kinds of throngs,
And meeting their fans.

They're comin' to town,
A rock and roll band,
And you and your friends,
With tickets in hand,
Are goin' to the show.

Rock and roll band,
With guitars in hand.
Their poster's on your wall.
Partyin' gang,
You might get to hang
With them after the show.

Rock and roll band,
With guitars in hand.
Their poster's on your wall.
Partyin' gang,
You might get to hang
With them after the show.

Does your mama know
Where you wanna go
After the show?
You got it planned,
Gonna meet the band...
Anything goes!
Would your daddy say
That it's O.K.
When you're on your knees?
Would you say "it was fun"
When you were done
With the boys in the band?

A spoon for your nose
And off go your clothes
"What was your name?"
Rock and roll band
With you in their hands
Then to the next town.

They're gone from your town,
A rock and roll band,
And you and your friends,
With brassieres in hand,
Are walkin' home.

A rock and roll band
Is touring the land.
They're playing their songs
To all kinds of throngs,
And meeting their fans.
