"Fly Away"

it's magnificent
hundred dreams we spent
sold them to our hope
that is what he told
my odd company
paralizing me
it is predictable
that I need your plea
all the things I missed
and the stolen kiss
makes me wanna fly
on golden wings
Take me and fly away
to any other land
I closed my eyes to freeze
the picture of your hand
Childlike way
summer day danger ground
in velvet grey
the nights we'll spend
your favourite land

where the orchids sing
love means everything
and the final scene
where they koll the king
followed by his son
for the longest run
Take me and fly away
to any other land
I closed my eyes to freeze
the picture of your hand
It is magnificent
dreams we spent
to our hope
that is what he told
company
paralizing
it's predictable
your plea
all the things
the stolen kiss
wanna fly on golden wings
Take me and fly away
to any other land
I closed my eyes to freeze
the picture of your hand
