mmm oh

I am leaving this place now,
letting go of all my fears, saying good-bye to the
memory I hold dear

I can finally breath again,
its a new day fair well past, as I close this chapter I set
free at last

chorus

I made up my mind-theres no turning back-the past is
behind me-theres no looking back-I'm looking forward
not behind- I've made a desicion- I give you my life

-Every step I take is new,
I found courage to go on, though its rough sometime
I still have to be strong

-I may have to walk alone,
but the One who live inside, me is always there to
comfort and to guide

CHORUS

I made up my mind-theres no turning back-the past is
behind me-theres no looking back-I'm looking forward
not behind- I've made a desicion- I give you my life

-I can see the sun breaking through the clouds,
lifting my hands cause I'm all right now

-I can shout about it, I can laugh about it, I can talk
about it

-oh

-oh

-oh

CHORUS

I made up my mind-theres no turning back-the past is

behind me-theres no looking back-I'm looking forward
not behind- I've made a desicion- I give you my life
