My love, do you ever dream of  
Candy coated raindrops?  
You're the same, my candy rain

Have you ever loved someone  
So much you thought you'd die?  
Giving so much of yourself  
It seems the only way  
Tell me what you want, and I  
And I will give it to you  
'Cause you are

My love, do you ever dream of  
Candy coated raindrops?  
You're the same, my candy rain

My love  
Did you ever dream that it could be so right  
I never thought that I would find  
All that I need in life  
All I want, all I need now I know  
I know I found it in you  
I found it in you  
'Cause you are

My love, do you ever dream of  
Candy coated raindrops?  
You're the same, my candy rain

My love, do you ever dream of  
Candy coated raindrops?  
You're the same, my candy rain

My love, do you ever dream of  
Candy coated raindrops?  
You're the same, my candy rain
