verse 1

i must have rehearsed my lines a thousand times
until i had them memorized.
but when i get up the nerve to tell you the words
it never seems to come out right

chorus

(Ooooh) if only you knew how much i do
i do love you
if only you knew how much i do
i do love you

verse 2

i dream of romance we shared
but your not there
im living in a fantasy
no you dont even suspect
you probably care less
about the changes i've been goin through

chorus

(Ooooh) if only you knew how much i do
i do love you
if only you knew how much i do
i do love you

oooh you dont even suspect
you probably care less
about the changes i've been goin through

If only you knew (ohh), how much I do
I do love you
(Lady I do, lady I do, I do, I love you baby)
If only you knew, (if own) how much I do
I do love you (cause I love you babe)
If only you knew
(I must have rehearsed my lines baby about a thousand
times)
How much I do
I do love you

Tell me what you wanna do, cause I'm in love with you

Baby, baby, yeah
Tell me what you wanna do, cause I'm in love with you

I been really in love
Girl, there's nothing more precious than being in love
I been really in love
I can't sleep, tossing and turning
Girl you're all I'm thinking of
I been really in love
Baby, baby, baby, baby yeah
I been really in love
Girl if only you knew, how much I really love you

Chorus
