Hey Luv lyrics

Chaand kolo pucch bavein tareya kolo pucch
Tere hussan de maare unn mundeya to bacch

Hey luv hey luv

Gallan teriya mittiyaa te chithiya tu likh
Vekhi duniya main saari par teri jehi ikk

Hey luv hey luv

Door main tenu vekha girl I want you now
Seene te mere lagge girl I show you how
Nain nasheele baby Can I take you home
tere nakhere vekhe but I want you more
Hey luv hey luv cos baby I wanna bring you closer

Please luv please luv

Because I don't think love again over

Hey luv hey luv

Together ever ever I hold you

Please luv luv

I don't like to be ..

tere nakhere vekhe but I want you more
Hey luv hey luv cos baby I wanna bring you closer

Please luv please luv

Because I don't think love is over

Hey luv hey luv

Together ever ever I hold you

Please luv luv

I don't like to be ..

Yaara dildaara tere naal main pyaar kara

Dil to main chawa tere utte mara

[Hey luv hey luv]

Din raat sohniye ni tu dil tadfandi ni

Nit battiyaan bujhawa teri roshni vi jandi nahi

Door main tenu vekha girl I want you now
Seene te mere lagge girl I show you how
Nain nasheele baby Can I take you home

tere nakhere vekhe but I want you more
Hey luv hey luv cos baby I wanna bring you closer
Please luv please luv
Because I don't think love again over
Hey luv hey luv
Together ever ever I hold you
Please luv luv
I don't like to be ..
