[N-Tyce]

Yo, N-Tyce got, a lot, heat packin' out
I don't care what you rappin' bout
I don't care what your gun clappin' but, blackin' out
How the roses is actin' out, lackin' clout

[J-Boo]

Aiyo, I don't give a fuck, how many albums you drop
How many niggaz in the streets, who be givin' you
props
How many thorough chicks you know, who be blowin'
the spot
Who keep it gangster, Pretty Thugs, though we takin' it

[Champ]

And I don't care what you spittin', as long as I stay
hittin'
Bangin' in the clubs or the cars, gettin' tipsy
At the crib or the bar, toured out, easy star
Believe me, huh

[N-Tyce]

I don't care about the cars and the jeeps
I just care about the bars when I creep
Hard when I speak, steady holdin' cards when I cheat
More than a fleet, part in the week, stars in the heat

[J-Boo]

Aiyo, I don't give a fuck, how many chips you stack
How many rappin' chicks you get to appear on your
track
How many Grammy's you accept, cuz you still way
wack
How many times I gotta tell you that the Venoms is
back

[Champ]

New millennium, 20-02, it's all on you
And I could care less about what you been through
And don't nobody bring me
No bad news, cuz it's real in the game

[Chorus: samples]

"I ain't callin' no names" - N-Tyce

"Take that, now you got one to grow on" - J-Boo

"I ain't callin' no names" - N-Tyce

"Take that, now you got one to grow on" - J-Boo

"And it strike like thunder" - Champ

"Things gon' change" - N-tyce

"Take that, now you got one to grow on" - J-Boo

[N-Tyce]

I don't care, cuz I'm sick and tired

Of being sick and tired, my click is firee

D.V.'s gotta get the flyer

Remember the name, we got hits to hire

[J-Boo]

Aiyo, how many timese have I told you, we be droppin'
them hits

How many days we bee spazzin', blackin' out in the pit

How many nights, we be spittin', tag teaming on chicks

Late night, up at the session, then it's back to the grits

[Champ]

I don't care what you think about us, Venoms still can't
be touched

Ya'll cats just ain't fast enough

To roll with us, livin' fabulous

The ghetto way, to play around when it's time to get
paid

[N-Tyce]

I don't care about the ice and the chains

I'm just nice in the game, even when I flip nice

Guaranteed to hit tricks twice, when I range

Rip shit bright when I bring, cock when I aim

[J-Boo]

Aiyo, how many times that I told, we gon' change the
game

And I don't even gotta say it, you be knowin' the name

But I'mma say it anyway, cuz it's all the same

Deadly Venoms is the squad, as world peep gamee

[Champ]

Any niggaz could rap, cuz of me, your career's a wrap

Watch yourself when it's time to react

D.V.'s bring it back to the map, yo, it's time to attack

Smackin' your ass, so watch your back

[Chorus]
