I may never get what I want  
But I'm happy just to die trying  
And I hope, I ain't done nobody wrong  
But I miss you smiling

And I'm looking for a cure 'cause I'm bored to tears  
And I'm stuck in here, stuck out here, stuck in here

We lived through another day  
It's a good excuse to celebrate  
Take a number knock on wood  
We'll find a reason to feel good  
I know you know I wanna know how I feel  
I can't even tell  
I can't even tell  
I can't even tell

No one knows nothing about me  
I'm guessing I'll just keep 'em guessing  
No one sees what I see  
This is my blessing

And I'm looking for a way to get out of here  
Get me out of here, out of here, out of here

We lived through another day  
It's a good excuse to celebrate  
Take a number knock on wood  
Find a reason to feel good  
I know you know you wanna know how I feel  
I can't even tell  
I can't even tell  
I can't even tell

I'm out of here, out of here, out of here  
I know you know I want to know how I feel  
I can't tell  
I know you know I'll tell you if it's real  
It sounded like a bell  
I can't even tell  
I can't even tell
