

Soul Asylum "Easy To Avoid"

I recognize you
I recognize you

Seeing red I'm feeling blue
About the trouble I'm putting you through
Ain't looking for sympathy
Just have a little mercy on me
Cause I'm good inside
I've got nothing to hide
But my pride has been destroyed
And you make me feel so easy to avoid

Feel funny I'm not sure why
Feel like I wanna lay down and die
Kick my head against the same old wall
You got no answer every time I call
And I ain't that bad
Ain't the best you've ever had
But you just get annoyed
How can I be so easy to avoid

I recognize you
I recognize you

And I ain't that bad
Ain't the best you've ever had
But you just get annoyed
You make me feel so easy to avoid
