Oh, won't you look at that
'Cause it won't be there for long
Hey, if you look away
Soon it will be gone

And I won't say I told you so
And I won't tell you you were wrong
But you're gonna miss this when it's gone
You're gonna miss this when it's gone

Hey, won't you look at this
Look at all that we have done
Oh, we are so busy
There is no time to have fun

And I won't make you do a thing
I won't say anything
But you're gonna miss this when it's gone
You're gonna miss this when it's gone

I'll never say I told you so
Never tell you you were wrong
But you're gonna miss this when it's gone
You're gonna miss this when it's gone
