Radio DJ: "Mother Popcorn" by James [Brown]. Okay, umm, I wanted to ask you now, you just recently just changed your name to Soul Asylum, and up until that point you were known as Loud fast Rules, right?

Dave: Oh, here it comes.

DJ: Okay, why? why did you, umm, like, why did you decide to change the name of the band?

(Silence? then laughter from band.)

DJ: Don't all speak at once.

Dan: We're not an HC band.

DJ: Mmm-hmm.

Karl: I mean people would say we are, but I don't think we're a H? ya know, hardcore band, a punk rock band, or new wave band.

DJ: Hmm? hmm, okay, but what about the name Soul Asylum? I mean, don't you think that might stereotype you to some people like who hadn't not heard of you before, ya know, like to think that you were a soul or a funk band or something?

(Song fades in.)

Dan: It's possible.

Dave: I don't know.

Karl: But it's better than having everybody that doesn't know thinkin' you're hardcore.

Dave: I asked Paul and he said it wouldn't.

Dan: Paul; Paul Stark? A local god. A man who knows

about all these things.

Dave: He knows everything.

DJ: Mmm-hmm. How did you come up with the name Soul Asylum? What is?

(Interview fades out.)

Mecht Mensch: We'd like to thank you all for coming down  
To see the best band  
And that just happens to be? Soul Asylum
