What are you doing here in my nightmare?
Stepping back into the stupidity gets me nowhere

Look at you now, you look like an angel in hell
Look at you now, drown in your wishing well
Look at you now, all those stories and there's no one to
tell
Look at you now

Do you think you can find a place for your dreams in
my nightmares?
And you're tied to the tracks but the train broke down
Wake me up and let me go from somebody I used to
know
From somewhere in my nightmare
Don't you remember the years we got nowhere?

Look at you now, you look like an angel in hell
Look at you now, drown in your wishing well
Look at you now, all those stories and there's no one to
tell
Look at you now

Do you think you can find a place for your dreams in
my nightmares?
And you're playing with a different joker
But there's always one more sucker
And you're tied to the tracks but the train broke down
Trapped at the top of the merry-go-round
But it won't let you down

Look at you now, you look like an angel in hell
Look at you now, drown in your wishing well
Look at you now, all those stories and there's no one to
tell
Look at you now

Do you think you can find a place for my dreams?
