Soul asylum

What's the use?  
Do you hear?  
Do you hear the things you always wanted to say?  
Am I clear?  
Is it just the sound of my voice fading away  
Is it right?  
Is it wrong or right if it keeps you up all night?  
I could've been somethin' I could've been your friend

What's the use in bein' alone?  
What's the use in bein' alone?  
I'm so far from home and I still can't find my way

Do you feel?  
Do you feel that all this loneliness was meant to be?  
Do you see?  
Do you see how much your smiling face has meant to me?  
I'm so tired  
Tired and wired and trying to find my way

I should've known all along  
You don't know what's goin' on  
I couldn't be right or wrong

What's the use in bein' alone?  
What's the use in bein' alone?  
I'm so far from home and I still can't find my way

What's the use in bein' alone?  
What's the use in bein' alone?  
What's the use in bein' alone?  
What's the use in bein' bein' alone?

You may be a kind ??????????  
Kinda like someone whose tired of cryin' and I don't cry  
'cause I always know the trip was worth the ride

I'm gonna have my fun  
I'm shining like the sun

Shines whether you've come or gone

What's the use in bein' alone?

What's the use in bein' alone?

I'm so far from home and I still can't find my way

What's the use in bein' alone?

What's the use in bein' alone?

What's the use in bein' alone?

What's the use in bein' alone?

Bein' alone bein' alone bein' alone

What's the use in bein' alone
