Satyr

Burn to the hardest core
Burn to the hardest core
Burn to the hardest core
Burn to the hardest core

I saw you with your precious smiles
I saw you with your pretty eyes
I thought you were my sugar plum
I'll chew you like my bubble gum

Satyr! SATYR SATYR SATYR

SHOW ME MORE
TO THE HARDNESS
CORE SATYR!

You know your breeding ecstasy
Isn't good enough for me
You know your breeding ecstasy isn't good enough for
me

Drill into the hardest core
Drill into the hardest core
Drill into the hardest core
Drill into the hardest core

With sinful grace
You lick my face
Without a haste You put me to waste
You know your breeding ecstasy
Isn't good enough for me
You know your breeding ecstasy
Isn't good enough for me

Satyr! SATYR SATYR SATYR
SHOW ME MORE TO
THE HARDNESS OF YOUR CORE SATYR!

BURN ETERNAL DAMNATION

BURN ETERNAL DAMNATION
BURN ETERNAL DAMNATION
BURN ETERNAL DAMNATION...
