Baby it's time for us to shine
Baby it's time to be together
I feel your heart beat next to mine
In this night we'll leave forever

(Hey boy) What ya gonna be?
(Hey girl) What ya gonna be?
(Hey you) What ya gonna be?
What we gonna be?

We can be heroes all night long
Did you think that hope was gone?
We can be heroes all night long
(Hey boy) What ya gonna be?
(Hey girl) What ya gonna be?

Baby we're meant to be together
I feel a feeling in my soul
You know it's you and I forever
This is the time that we can shine

(Hey boy) What ya gonna be?
(Hey girl) What ya gonna be?
(Hey you) What ya gonna be?
What we gonna be?

We can be heroes all night long
Did you think that hope was gone?
We can be heroes all night long
(Hey boy) What ya gonna be?
(Hey girl) What ya gonna be?

We can be heroes all night long
Did you think that hope was gone?
We can be heroes all night long
(Hey boy) What ya gonna be?

(Hey girl) What ya gonna be?

Can you feel me standing beside you?

'Cause together we can be strong

Let us be the light to guide you

We can be heroes

We can be heroes, we can be heroes

We can be heroes, we can be heroes

We can be heroes, we can be heroes

We can be heroes all night long

Did you think that hope was gone?

We can be heroes all night long

What ya gonna be? What ya gonna be?
