I didn't ask
To fall in love with you
But you were so sweet
Tell me what as good I do

But one day
You said you didn't want me no more
Yes you did
And my heart's still acheing
For this type of love
The sweeter he is the longer the pain
It gonna hurt (Oh, yes it will)

In your own way
You made me feel like a queen
You put me up so high
Til I gave you my angry face

Oh, but one day
You took your good love away
And that's why I'm here suffering
Suffering today
The sweeter he is the longer the pain
It gonna hurt (Oh, yes it will)
The sweeter he is the longer the pain
It gonna hurt (Oh, yes it will)
