Blue eyed devil
Blue eyed devil

Born to be a God among salesmen
Working the skinny tie
Slugging down fruit juice
Extra tall extra wide

Blue eyed devil
Blue eyed devil

Thirty three degrees
Six hundred and sixty six
Dig digging it, come on

Moving door to door, to door
Stoned motel room
Nice cool on the bathroom floor

Blue eyed devil
Blue eyed devil

King of Siam, another trouble frying
Another devil
King of Siam, I got the trouble frying
Another devil, another devil

Another blue eyed devil
Blue eyed devil

Blue eyed, blue eyed, blue eyed

Spoon to the lighter, to the lighter, to the gun
Devil lapsed out in a pool of sun
Spoon to the lighter, to the lighter, to the gun
Devil lapsed out in a pool of sun

Spoon to the lighter, to the lighter, to the gun
Devil lapsed out in a pool of sun
Spoon to the lighter, to the lighter, to the gun
Devil lapsed out in a pool of sun

Spoon to the lighter, to the lighter, to the gun
Devil lapsed out in a pool of sun
Spoon to the lighter, to the lighter, to the gun
Devil lapsed out in a pool of sun

Spoon to the lighter, to the lighter, to the gun
Devil lapsed out in a pool of sun
Spoon to the lighter, to the lighter, to the gun
Devil lapsed out in a pool of sun

Spoon to the lighter, to the lighter, to the gun
Devil lapsed out in a pool of sun
Spoon to the lighter, to the lighter, to the gun
Devil lapsed out in a pool of sun
