

## Soul Coughing "Circles"

When you were languishing in rooms I built to file you  
in  
And when the wind set down in funnel form and pulled  
you in

I don't need to walk around in circles  
Walk around in circles, walk around in circles  
Walk around in

Don't need to walk around in circles  
Walk around in circles, walk around in circles  
Walk around in

And when the ghostly dust of violence traces  
everything  
And when the gas runs out, just wreck it, you insured  
the thing

I don't need to walk around in circles  
Walk around in circles, walk around in circles  
Walk around in

Don't need to walk around in circles  
Walk around in circles, walk around in circles  
Walk around in

Doom da doom da doom  
What I'm doing, I'm doing  
Doom da doom da doom  
What I'm doing, I'm doing

Doom da doom da doom  
What I'm doing, I'm doing  
Doom da doom da doom  
What I'm doing, I'm doing

But I can't sigh, now that you made the move  
It has gone and gone to dogs, lay down on the floor  
For the right price I can get everything  
Slip into the car, go driving to the farthest star

I don't need to walk around in circles

Walk-a, in circles, walk around in circles  
Walk around in a

Don't need to walk around in circles  
Walk around in circles, walk around in circles  
Walk around in, walk around in
