Mid level manager says he heard about some Mulatto
girl

Shot him in the mouth and left him in a hotel near the
mid south offices

He worked in distribution, Regional Vice President

Collapse, unload it

Pop, pop, I must accumulate, unload it

Pop, pop, I must accumulate, unload it

Pop, pop, I must accumulate

Well the soil is rich, competition fat, ripe and
vulnerable

Oozing from the slats and too cash heavy, bloated

Sitting there all puckered up

Index of numbers is scrolling up screen, scrolling up

Collapse, unload it

Pop, pop, I must accumulate, unload it

Pop, pop, I must accumulate, unload it

Pop, pop, I must accumulate

Collapse, unload it

Pop, pop, I must accumulate, unload it

Pop, pop, I must accumulate, unload it

Pop, pop, I must accumulate

Smash it down to digits, gut it out and break it down

Liquid assets are seeping down, seeping down now

Seeping down, seeping down now

Seeping down, seeping down now

Seeping down, seeping down now

Collapse, unload it

Pop, pop, I must accumulate, unload it

Pop, pop, I must accumulate, unload it

Pop, pop, I must accumulate

Collapse, unload it

Pop, pop, I must accumulate, unload it

Pop, pop, I must accumulate, unload it

Pop, pop, I must accumulate

Pop, pop, I must accumulate

Pop, pop, I must accumulate
