Dumb, dumb, dumb bah did du dumb
Dumb bah did du dumb, dumb, dumb
Dumb, dumb, dumb bah did du dumb

Dumb, dumb, dumb bah did du dumb
Dumb bah did du dumb, dumb, dumb
Dumb, dumb, dumb bah did du dumb

I need time to scrounge the rent
I need time to contemplate the accident
I got to drag my ass to now
How did I come to stop here?

And well, I knew the gas was gone
But I had to rev the motor
Pull back the hand you might
Get it cut off in the rotor

Maybe I'll come down
Maybe I'll come down
Maybe I'll come down

Dumb, dumb, dumb bah did du dumb
Dumb bah did du dumb, dumb, dumb
Dumb, dumb, dumb bah did du dumb

Dumb, dumb, dumb bah did du dumb
Dumb bah did du dumb, dumb, dumb
Dumb, dumb, dumb bah did du dumb

She's on Laureate's turf
She's on Laureate's side
She's in a better state
She feels a better fire

And well, I dreamed a great parade
Shooting all the guns in Brooklyn
The man who had a spare held out two
And then you took one

Maybe I'll come down
Maybe I'll come down

Maybe I'll come down

Freeze or burn, all else is only icing
Freeze or burn, all else is only icing

Maybe I'll come down
Maybe I'll come down
Maybe I'll come down

Maybe I'll come down
Maybe I'll come down
Maybe I'll come down

Maybe I'll come down
Maybe I'll come down
Maybe I'll come down

Maybe I'll come down
Maybe I'll come down
