Uh, zoom zip and uh, wake up, uh, zoom zip  
Uh, zoom zip and uh, wake up, uh, zoom zip

My eye like a noisegate, the number 8 frustrate  
And I roll to the floor fruit to the fruit  
To the core of a spheroid embedded in my skull  
The round, the zero, the symbol of null and void

And well, I toyed with the concept  
Of Vitamin B-12 the synapse, the synapse  
It feeds itself on a nutrient, contained in sunlight  
The blink, the lid, the fight, to snap open

Uh, zoom zip and uh, wake up, uh, zoom zip  
Uh, zoom zip and uh, wake up, uh, zoom zip

Uh, zoom zip and uh, wake up, uh, zoom zip  
Uh, zoom zip and uh, wake up, uh, zoom zip

Moving up to the double M-2000, I eat up a decade  
Like a flan your turn of the century  
You turn it up turn it up clock seconds  
To the hour go and cash the millenium

Um um and it hums like a migraine  
To the brain in the time yet remaining but  
Uh ah melancholy nonsense  
And I crack nouns brotherfuck the verb tense

Uh, zoom zip and uh, wake up, uh, zoom zip  
Uh, zoom zip and uh, wake up, uh, zoom zip

Uh, zoom zip and uh, wake up, uh, zoom zip  
Uh, zoom zip and uh, wake up, uh, zoom zip
