Take my clothes, my sock, my shoes away
I wanna be naked everyday
Id wear nothing but my birthday suit
Just a chance to be with you
Id make lovin' you a living
Be a chair that you could sit in
Over and under and through you, I'd go
Use it, lets do this
I want you to know
You run me over in a Cadillac dress
We got a man down, send an SOS
You tear me up
You turn me in
You take me under, yeah
One flash of your hips and Im going blind
I think somebody put sex in the wine
Cause Im going down
Im sinkin' in
Im heading under
Take my car, my house, my life for good
I wanna live on you like I should
Now girl, I wanna be good at you
Just show me all the things to do
Use your body as my education
Take my black book as my resignation
All the things that I could do
If I could just come talk to you
Over and under and through you, I'd go
Use it, lets do this
I want you to know
You run me over in a Cadillac dress
We got a man down, send an SOS
You tear me up
You turn me in
You take me under, yeah
One flash of your hips and Im going blind
I think somebody put sex in the wine
Cause Im going down
Im sinkin' in
Im heading under
You run me over in a Cadillac dress
We got a man down, send an SOS

You tear me up
You turn me in
You take me under
You run me over in a Cadillac dress
We got a man down, send an SOS
You tear me up
You turn me in
You take me under
One flash of your hips and Im going blind
I think somebody put sex in the wine
Cause Im going down
Im sinkin' in
Im heading under
You run me over in a Cadillac dress
We got a man down, send an SOS
You tear me up
You turn me in
You take me under
One flash of your hips and Im going blind
I think somebody put sex in the wine
Cause Im going down
Im sinkin in
Im heading under
