#### VERSE 1:

I'm not ancient  
I'm not born  
I don't feel hatred  
I can't feel Love

But this book talks of Children  
In a way I can't Ignore  
These Children are Glorious  
Close to his Heart

#### CHORUS:

Will we see the day  
When earthly pain Is washed away?  
I believe we can make a change

#### VERSE 2:

We are pretty alike  
You, Me And I.  
If we wanna make a stand,  
Let's do It hand In Hand.  
We Are All One People  
We Are All On Earth  
Pull It Together now...

#### CHORUS:

Will we see the day  
When earthly pain Is washed away?  
I believe we can make a change

#### BRIDGE:

We can make a Stand  
For all the Ones who Can't  
We can make a Change.
